

Love the North Shore?

Live here? Just visiting? *Lucky you.* It's close to heaven... right? But did you know the North Shore needs you? This flyer is here to encourage those of you who love the North Shore to join together. As a group we can give the North Shore a stronger voice.

Our mission is simple - to protect and enhance the North Shore.

There is absolutely no cost to join. Just visit www.northshorestcroix.com and type in your email address. We'll send you an occasional email about our progress.

Thank you for caring. Have a great day!
